About Jaipur

Jaipur, the enchanting Pink City of India, the capital of Rajasthan, captivates visitors with its rich history, vibrant culture, and architectural splendor. Nestled in the royal state of Rajasthan, Jaipur stands as a testament to the grandeur of the bygone era while embracing the dynamism of the present. Jaipur, founded in 1727 by Maharaja Sawai Jai Singh II, boasts a regal heritage that permeates its palaces, forts, and havelis. The City Palace, Hawa Mahal, and Jal Mahal are architectural marvels that transport visitors to the era of maharajas and maharanis. The carefully planned streets and buildings showcase a harmonious blend of Mughal and Rajput architectural styles. The vibrant markets of Jaipur offer a kaleidoscope of colors and crafts. From the bustling Johari Bazaar for jewellery to the cultural haven of Bapu Bazaar, the city is a shopper's paradise, showcasing traditional textiles, handicrafts, and gemstones. Jaipur has hot and semi-arid climate. In July and August you will experience a short monsoon and during the month of January you are most likely to experience good weather with pleasant average temperatures that fall between 19- 20° C.

About College

S.S. Jain Subodh Girls P.G. College, Sanganer, Jaipur is affiliated to University of Rajasthan established in 2004, under the aegis of Subodh Shiksha Samiti, a non-profit society which has 19 institutions running under its governance since 1918. The college is spread over 50832 acres of land and it has a green and beautiful campus with an excellent infrastructure. It is a multi-faculty institution that aims to blend curricular and co-curricular activities and provides an excellent model of what a women's college can do for development of it's students. To attain this mission, the college has signed MOU's with various National and International organizations. It offers various under graduate, post graduate, professional courses along with skill development and certified programs under the guidance of UGC qualified and experienced faculty. Along the years it has set the stage and benchmarks to imprint the legacy of the college to sail steadfastly towards its journey of being an institution of unwavering success. The college is easily accessible from various parts of the city and is situated 13 kms from Jaipur Railway Station and a km away from Sanganer Airport, Terminal-1, Jaipur.

About Seminar

The primary goal of the seminar is to acquaint the students, teachers and individuals about the NEP-2020 and its effective execution. The seminar will provide an academic platform for nationwide discussion ,interaction of ideas and knowledge exchange among academicians, researchers, professionals and students to enhance their understanding and development regarding NEP-2020.The seminar will provide a platform for discussion how to increase the gross enrollment ratio in higher education, to increase access to education, to increase empathy, communication, preservance, teamwork , leadership among students and high quality research in educational institutes. The seminar will provide excellent opportunity to review the recent development and technological applications covering large number of topics. The themes of the seminar have been selected to accommodate wide range of interest to facilitate interdisciplinary approach in academic field and research. The present seminar intends to make the participants aware of the constantly evolving modern trends and techniques in NEP- 2020.

Seminar Themes:

Technical Session -1: Vision, Goals, Education and Student's development

- Government's visions, goals and strategies of the policy.
- Fundamental literacy and numeracy.
- Transforming the regulatory system/framework of higher education.
- Optimal learning environment, support for students, curriculum design and pedagogical practices.
- Vocational education and skill training of students.
- Promoting quality academic research and innovations in multidisciplinary field.
- Needs of professional education, flexible and adaptable educational system.
- Affordable and quality education in multi-disciplinary field, integration of different subjects and perspective.
- Empowerment of students and Education Funding Models.
- Curricular integration of essential subjects, skills and capacities, environmental education and sustainability.

Technical Session -2: multilingualism, Equity and Best Practices in Higher Education.

- Equity, inclusiveness and gender equality in higher education.
- Effective Governance and leadership for higher education institutions.
- Adult education, lifelong learning and solutions of real-world issues.
- Promotion of Indian languages, contribution in International Platform.
- Use of technology, integration and best practices in higher education.
- Online and digital education, technological advancements for higher education institutions.
- Multilingualism and the power of language in global context.
- Continuous professional development of teachers, enhancing quality education.
- Career management, progression and global competitiveness.

***The list is indicative.** Papers conforming to overall themes of the seminar but not mentioned in topics above are also welcomed. For more details please refer seminar officials.

Last Date of Submission of Abstract: 25th December, 2023

Last Date of Submission of Full Paper: 10th January, 2024

Submission Guideline:

Title of paper (Bold and font size 14) Name of the author (s) with Designation, Contact details, Email and Complete address of affiliating institution

Abstract : 200-300 words with 4-5 keywords.

Full paper : 2000-2500 words.

- Introduction objectives and relevance of the study
- Literature review and Hypothesis
- Research Methodology
- Result and Discussion
- References
- Times New Roman, font size 12, line spacing -1.5
- Paper should be sent as word document via given e-mail:
- Email: subodhacademia@gmail.com
- Plagiarism is a major concern. Therefore, researcher should submit plagiarism report with full paper.
- Provide the reference of work properly.
- Research paper cannot contain previously published data in any form without proper citation.
- It is not permissible to submit a work that is a translation of a previously published paper.
- For oral PPT presentation time limit is (3+1) minutes.
- Registration is mandatory.

Awards:

Best Paper Award will be presented in each Technical session whose work represents ground breaking research work in their respective areas.

Publication:

Selected papers willbe published in multidisciplinary peer reviewed, Google Scholar indexed reputed Journal with high impact factor and DOI no.

***Publication Fees – 500/- (additional)**

*The papers received after last date will not be published.

Registration Fee:

Corporate Members	1200/-	Academicians	1000/-
Research Scholars	700/-	Students	250/-
