

Institution Distinctiveness

S.S. Jain Subodh Girls P.G. College, Sanganer, a pioneer institution for women education and empowerment, laid its foundation in 2004 with a motto “ IF YOU CAN DREAM IT, YOU CAN DO IT.” Vision of the Institution is to mould and empower students in the pursuit of knowledge, values and social responsibility and help them achieve excellence in various fields, thereby also preparing them to face global challenges. The Institution as never faltered in inspiring the students in the pursuit of knowledge, values, and social responsibility. The Institute has established its distinctive approach towards this comprehensive Vision by modelling it in the form of service to the society, by means of certificate courses or by allowing the students to organize events to develop their skills, multidisciplinary project development, Entrepreneurship development, Ethical and Human value development. The main objective of the college is to empower and enrich women with knowledge. Various curricular, co-curricular and extracurricular activities are also organized for the overall development of the students. Subodh sets the benchmarks for global education with a system that matches the best practices, theories, resources and standards all over the world. Our aim is to provide quality higher education and to transform the students into a balanced personality by promoting them to be responsible citizens of society and to contribute for the development of the nation as a whole with dynamic and charismatic youth who can bring an enormous change that provide opportunities to the students to conceptualize, plan and implement their ideas in sync with the changing dynamics of the world of commerce and economics. Coordination between management, staff, non-teaching staff and students has created an organisational culture, which fosters innovation and enterprise for the successful implementation of the institution’s vision and mission. The institution encourages student internship, article-assistantship and other industry engagement to expose

students to experiential learning. Students are also encouraged to volunteer for social projects.

Few of the admitted students are from economically weak background and a significant number of open category students are from farmer's family. Amongst these, few students are not eligible for Government free ship and scholarship. Every year, because of weak financial conditions, several deserving students are on the verge of quitting their education. The trust and the Institution take the responsibility of continuing education of such needy students through financial assistance.

The vision and thrust of organization is reflected through the following key activities and initiatives:

1. The Institution arranges skill enhancement programs to develop their skills for example – Personality enrichment, Employability skill development, Entrepreneurial development, Language skill development etc.
2. Job Oriented Courses such as Computer Fundamentals, Fashion Designing and Beauty and makeup.
